AIM OF THE DOUBLE DEGREE PROGRAMME

This double degree programme is an optional chance to receive two bachelor degrees in the international field of textile and clothing in only 8 semesters. Students also develop intercultural skills throughout the study semesters in China, as well as acquiring comprehensive knowledge in textile and clothing technology and management. This special degree programme is based on years of experience and a friendly relationship to the TGU.

PROGRAMME STRUCTURE

The first part of the double degree programme includes 5 semesters of regular study at Hochschule Niederrhein. If the requested 153 Credit Points are not reached, later exam repetitions at HSNR are possible.

The 6th and 7th semesters at TGU comprise courses, an internship incl. visits of local textile companies. HSNR students will live in the Bijuan Hotel on the campus of TGU in double rooms. The credits received at HSNR will be recognized by TGU and the other way around.

In addition, the bachelor thesis is written in the 8th semester at TGU. HSNR students will have the final thesis supervised by two professors, one from TGU and one from HSNR. The defence will be at the end of the 8th semester at HSNR. Qualified students will receive two Bachelor degrees from both HSNR and TGU.
