

# steinbauer design

**Internship | Industrial Design | September 2023**

We design furniture, lights and accessories for international clients such as Authentics, Flötotto, Freistil, Softline and Rolf Benz.

Required skills: Adobe, CAD, and hands-on prototyping.

Do you share the passion for furniture and innovative products?  
Then send your application with portfolio to:

[mail@johannes-steinbauer.com](mailto:mail@johannes-steinbauer.com)

The internship is paid, we can help to find an affordable accommodation close to our studio.
