

OUR GRADUATE PROGRAM GROW OFFERS INTERESTING OPPORTUNITIES IN GERMANY, BONN, FROM APRIL 1st 2025 FOR 18 MONTHS, AIMING TO KEEP YOU ON AFTER PROGRAM COMPLETION FOR

TRAINEE CORPORATE FUNCTIONS INTERNATIONAL IN CORPORATE WEAR & OFFICE SUPPLIES (M/F/X)

We are Global Business Services (GBS) – DHL Group’s service provider. Our Service Lines cover a wide range of activities such as Procurement, Consulting, Real Estate, IT, Finance and HR Services, and Mobility as well as Legal Consulting and Insurance and Risk Management.

We are globally responsible for sourcing of corporate wear, personal protective equipment, office supplies, office furniture and promotional items. In an age of globalization and increased sensitivity to social and environmental issues, we must fulfill with our sourcing activities all legal requirements of the new supply chain law to meet our company responsibilities to society (Human Rights) and environment. Therefore, we always look for sustainable products in all categories. We have contracts with reliable suppliers, who realize our social and environmental standards in the manufactories with all necessary state-of-the-art certifications (e.g., Made-in-Green). In addition, we start to establish a recycling system for our textiles of Corporate and Protective wear.

In general, our Corporate and Protective Wear products have high functional requirements, because they should support our couriers work and ease their lives during their working processes. The garments have protective, as well as advertising and corporate identity tasks. All these textile parameters must be defined and documented in our specifications including size system.

For our sourcing department we need textile/garments expertise in combination with economic skills for developing and realization of tender/sourcing processes including negotiations.

Your tasks

- Integrating textile and garments expertise into specifications
- Making garments recyclable
- Supporting tenders for corporate wear and PPE (personal protective equipment)

Your profile as trainee

- Minimum Bachelor Graduation before April 1st, 2025 in Engineering, Textile or Clothing Engineering
- First professional experience (up to 3 years) in the textile or garment industry
- Fluent/very good English skills, fluent/native German skills
- Very good knowledge of MS Office/365
- Knowledge in Visio Real, Adobe is an advantage
- Very good communication skills, team player, creative, solution-orientated, enjoying international work, flexible, comfortable with negotiations

Your benefits

After an induction week, you will dive into the world of logistics during three program phases at locations in Germany and around the world in one of the leading mail and logistics service provider for the world. We offer integrated training sessions, personal mentoring and regular feedback to help you develop your career.
