

WE PROMOTE INDIVIDUALITY

WE OFFER SPACE FOR PERSONAL DEVELOPEMENT
DESIGN YOUR SUCCESSFUL CAREER WITH US

With a lot of passion for high-quality menswear, **AHLERS AG** has developed from a cloth wholesaler into a modern and globally operating company over its 100 years of business. The company is listed on the stock exchange as one of Europe's largest fashion producers with a focus on men's fashion.

Dynamics, vision and integrity are important components of the firm's DNA. Tradition, innovation and expertise combine in an exclusive portfolio of sophisticated brands such as **PIERRE CARDIN, OTTO KERN, BALDESSARINI, ELSBACH, PIONEER JEANS, JUPITER, PIONEER JEANS & CASUALS AND PIONIER WORKWEAR.**

BACHELOR OF SCIENCE TEXTILE AND CLOTHING TECHNOLOGY

We offer a cooperative study model preferably for **FIRST SEMESTER STUDENTS** (already enrolled or still in their application phase), in the form of a **COMBINATION OF FULL-TIME STUDIES IN TEXTILE AND CLOTHING TECHNOLOGY (B.SC.)** at the University of Niederrhein and **PRACTICAL PHASES IN OUR COMPANY**. As part of this model, you study full-time at the university and work at our company during lecture-free periods.

YOUR BENEFITS AT A GLANCE:

- **WE PAY YOUR SEMESTER FEES**
- **PRACTICAL EXPERIENCE IN A GLOBAL ACTIVE COMPANY**
- **APPROPRIATE REMUNERATION**
- **PROSPECTS OF A FIXED POSITION AT THE END OF YOUR STUDIES**

Find out what happens behind the scenes of a fashion manufacturer and join us. We look forward to meeting you!
