BBW50605 International Competence 11th German-Russian Workshop Summer Term 2018

The German-Russian Workshop during the coming summer term will be organized in co-operation with two of our Russian partner universities, which are

- Ulyanovsk State University (<http://english.ulsu.ru/about/>)
- University of Architecture and Civil Engineering, Nizhny Novgorod (NNGASU) (http://www.nngasu.ru/about/Structure/facultets/cppoig_eng.php)

Topic of discussions and presentations will be

“Social commitment of companies in Russia and Germany”

The workshop group will consist of

- **8/6 students** from each partner university
- 2 lecturers from each partner.

Preliminary schedule

until January 15, 2018:	Submission of applications (confirmation of English skills, transcript of records, 1 page motivation letter, all via email to Prof. Wenke)
end January, 2018:	Final decision about participants
March, 16 – 25, 2018:	Workshop, 1 st part at NNGASU, Russia (Moscow incl.)
April – end May 2018:	Continuation of work, more detailed analysis and preparation of final presentations.
June 4 -8, 2018:	Workshop, 2 nd part Hochschule Niederrhein

Credits will only be granted if students participate regularly in the meetings at the home university and in the 2 workshops and **beforehand in Russian language A1.1 as a block course in March 2018**. Evaluation (marks) will be based on presentations and contributions during workshops and meetings.

Accommodation, breakfast and lunch will be provided by the host institutions. Travelling/visa costs will partly be covered by university/sponsors; about 25% (appr. 200 €) must be covered by each student.
