# Company Description

## 1. NaskorSports

NaskorSports combines our employee’s enthusiasm for sports and nutrition with their daily working routine. From Tegelen near Venlo, we distribute more than 8,000 goods from the fields of supplements, sportswear and equipment to our B2B customers in more than 40 countries. Annually, we are represented at the FIBO with our own booth. Furthermore, we are organizing our own virtual fitness show. Our subsidiary, namely MYFIT24, is Germany’s most common retail chain for sport supplements in the B2C segment.

At NaskorSports we stand for a young and dynamic culture, teamwork and our own opinion. Since the first day, you will be fully integrated into the team with your own responsibilities and benefit from flat hierarchies and the short decision-making process.

We are looking for new NaskorSports team members, who strive to work in an international environment with the aim of personal development. Boost your career.

## 2. Develogment GmbH & Co.KG

develogment ist ein international tätiges Beratungs- und Software-Unternehmen, das 2017 gegründet wurde. Unser Hauptsitz befindet sich in Kempen am Niederrhein. Mit unserer Niederlassung in Obernburg am Main sind wir auch im Rhein-Main-Gebiet vertreten. Unsere Unternehmensgründer Sven Vogel und Jens Kokon waren über viele Jahre IT-Leiter bzw. Chefentwickler in international tätigen Logistikkonzernen.

Unser mittlerweile 40-köpfiges und stetig wachsendes Team arbeitet interdisziplinär. Durch unsere interne Teamstruktur arbeiten wir sehr effizient und die Zuständigkeiten sind klar.

Wir sind Experten für

- Digitalisierung
- Prozessmanagement und –automatisierung
- Veränderungs- und Verwaltungsmanagement
- Organisationsentwicklung und Projektmanagement
- IT und Logistik
- Anwendungsentwicklung

Unsere Mission: Einfach digitalisieren

Wir unterstützen den digitalen Wandel in Unternehmen und öffentlichen Verwaltungen. Zu unseren Kunden gehören international tätige Konzerne aus den Bereichen Telekommunikation, Chemie oder Logistik, ebenso wie Unternehmen aus der Hotellerie-Branche oder Anwaltskanzleien. Zudem wachsen wir stetig im öffentlichen Sektor. Wir denken konsequent in Prozessen und schaffen harmonisierte Prozesslandschaften.

### **Einstiegsmöglichkeiten:**

Wir sind grundsätzlich für alle Einstiegsformen offen, egal ob Du als Praktikant, Werkstudent, Azubi oder nach dem Abschluss zu uns kommen möchtest. Da wir aktuell wachsen und ein starkes Team aufbauen wollen, stehen Dir auch verschiedene Bereiche zur Auswahl.

**We are Cleverland**

[cleverland.eu](http://cleverland.eu)

Folgende Bereiche sind möglich:

- Prozessautomatisierung
- Beratung (strategisch, öffentlicher Sektor, Logistik)
- Anwendungsentwicklung
- IT- und Business Support
- Java Development

### **Fachliche sowie persönliche Anforderungen an Studierende sowie Absolventen:**

Am wichtigsten ist uns der Mensch hinter dem Mitarbeiter. Wir wollen Leute im Team, die wirklich zu uns passen. Wir sind aufgeschlossen, arbeiten konstruktiv zusammen und geben jedem die Möglichkeit, das Unternehmen mitzugestalten. Solltest Du Lust darauf haben, dich einzubringen und Dinge kritisch zu hinterfragen, dann bist Du bei uns richtig!

Du solltest Dich für unser Unternehmen und mindestens einen der Bereiche begeistern können, um mit uns zu wachsen. Wenn Du für Dein Arbeitsumfeld gerne Verantwortung übernimmst, serviceorientiert und zugleich unternehmerisch denkst und handelst, dann passt du schon sehr gut zu uns. Im Gegenzug unterstützen wir Dich dabei, Deine Stärken und Interessen optimal einzubringen, um gemeinsam unsere Kunden in die digitale Zukunft zu begleiten.

### **Sprachkenntnisse:**

Wir sind für alle Nationalitäten offen und wenn Du dich mit Englisch gut verständigen kannst, ist das für uns in Ordnung. Allerdings ist Deutsch unsere interne Kommunikationssprache. Deshalb solltest Du dich auf Deutsch unterhalten können.

**Presentation will be held in English.**

### 3. Rabobank

Rabobank is a bank for and by customers. We are one of the largest financial institutions in the world and are at the same time very involved on a local level. Our goal is to help clients realize their ambitions. In doing so, we want to make a substantial contribution to welfare and prosperity in the Netherlands. Also, we want to contribute to the nourishment of the world sustainably.

#### Our mission: Growing a better world together

Rabobank is a cooperative bank. Working at Rabobank means making the world a little better. With large and small initiatives, we want more and more people to become financially self-reliant and for entrepreneurs to grow sustainably. We are committed to the local environment and tackle the global food problem at a larger level, step by step. After all, change takes time.

#### Wanted: people with courage and persistence

Together with you, we want to work on a world where everyone has sufficient and healthy food. But also, a country in which happy people live, work and do business. We are also courageous and are therefore looking for brave people since you must dare to make a difference in society. That requires brainpower and thoroughness.

That is why we look beyond your CV; with us, it is mainly about your mentality. We are curious about who you are, what ideas you have and how you want to realize them. Do you promise to use your talent for a better world? Then we want to build not only your own future but also that of the bank and that of customers with you! Do you have what it takes?

#### Rabobank worldwide

**We are Cleverland**

[cleverland.eu](http://cleverland.eu)

Rabobank is a financial service provider for more than 8.5 million customers in 40 countries. Find out what is happening where worldwide.

## Diversity

Rabobank pursues an active diversity policy. On the one hand, by striving for diversity in gender, cultural background, age, and such, when putting a team together. On the other hand, we pursue this by creating an inclusive corporate culture in which people open up to each other's background and no one is excluded.

## Internship at Rabobank

## 4. LucaNet AG

### Who we are:

LucaNet takes the complexity out of finance. With our software for consolidation, planning, reporting, and analysis, our customers save time and get data they can rely on one hundred percent.

As a leading provider of software and consulting services for financial performance management, we share a common mission: to offer our customers an easy-to-use solution for digital accounting and controlling that delivers fast results and helps them make the right decisions. And all that in combination with excellent service. We have come a long way, but still a long way from our goal! With our vision of offering the best solution, we want to go further and be a strong partner to our customers with a holistic portfolio from beginning to end. From financial experts for financial experts!

Do you want to go further with us? We are always looking for people who are committed to our values – both in the way we work together as well as in our daily tasks – with our customers in focus and entrepreneurial thinking on the way to achieve our vision.

## 5. Pentair Haffmans B.V.

### Our Purpose

It's Pentair's' purpose to make the most of life's essential resources. From our residential and business solutions that help people move, improve and enjoy their water, to our sustainable innovations and applications, we deliver smart, sustainable solutions for life.

What we do really matters to the World. Growth in global population and prosperity increases the demand for natural resources such as water, energy, minerals / metals and food. There are, however, limited quantities of resources available. Furthermore, emissions of green-house gases from this large-scale consumption of resources constitutes a threat to our immediate environment.

For over 75 years, Pentair has provided water, carbon capture and biogas upgrading solutions that help our customers to lower their carbon footprint and optimize their processes. We support to reach their sustainability goals and make sure that the planet benefits as well.

### Join us in making the world a better place!

We want to make sure that everybody has access to (healthier) Food and Clean drinking water but in a sustainable way, meaning lowering waste streams and get the most out of our valuable resources. If you care about the planet and want to contribute to a Better World, join us! We are continuously expanding our teams and are looking for new talent to join our teams! Now we are looking for example:

- Process Engineers
- Commercial Services
- Junior Technicians
- Product Managers
