

Please apply for accommodation as soon as possible!

Many students will apply for accommodation before the next semester starts so you need to hurry up if you want to be sure to get a room.

Since the Hochschule Niederrhein does not manage the student residences or private flats we kindly ask you to apply by yourself.

Accommodation

There are various options for your accommodation during your stay. Primarily you may either choose between student residences or private rooms/flats.

Read on to find about the options and where to find them!
