Dear student

If you want to continue studying in the coming semester you will need to re-register. Your re-registration will become effective after the payment of your semester fee has been received on the bank account of Hochschule Niederrhein **between 01.07.2019 and 08.08.2019**. If you will have missed this deadline you may re-register until 31.08.2019 by paying the semester fee as well as an additional fee.

To re-register please visit our online portal at
