

steinbauer design

Internship | Product Design | Sept 2026

We design furniture, lights and accessories for international clients such as Authentics, Flötotto, Freistil, Punkt, Softline and Rolf Benz.

Required skills: Adobe, CAD, and hands-on prototyping.

The internship can only be completed as a mandatory internship during studies. It cannot be completed after graduation.

mail@johannes-steinbauer.com

The internship is paid, we can help to find an affordable accommodation close to our studio.
