

**Strengthen our team in Brüggen-Bracht:*****Join us as a committed Junior Purchaser (m/f/d)***

Since 2025, CS Additive has been part of the [Unimetal Group](#), a multinational company with over 40 years of experience in the development and supply of high-performance carbon-based products for the global metal, energy and mobility industries.

With its plant in Brüggen (Germany), CS Additive is one of the most efficient manufacturers of carbon pellets in Europe.

To support our local team, we are looking for a dynamic and results-oriented Junior Purchaser to join our team in Brüggen, Germany, as soon as possible. This is a small but strategically important unit with around 40 employees. The Junior Purchaser will play a central role in managing all operational purchasing activities across various categories.

This position requires a hands-on professional who is committed to continuous improvement and wants to achieve better results every day. The ideal candidate is proactive, organised and able to work independently while collaborating with cross-functional teams.

**Main responsibilities:**

- Managing all purchasing processes for all categories (direct and indirect materials, services, MRO, etc.)
- Sourcing and negotiating with suppliers to ensure the best value in terms of cost, quality and delivery
- Monitoring supplier performance and maintaining strong relationships
- Processing orders and ensuring the timely delivery of goods and services
- Supporting inventory control and ensuring alignment with production requirements
- Collaborating with internal stakeholders to determine requirements and priorities
- Identifying opportunities for cost reduction and process optimization
- Ensuring compliance with company policies and purchasing standards

**Requirements:**

- Bachelor's degree in business administration, supply chain, engineering or a related field
- 1–2 years of experience in purchasing (Internships or entry-level positions will also be considered)
- Strong communication and negotiation skills
- Ability to work independently in a dynamic environment
- Fluent in English and German. Portuguese is a big advantage
- Proficiency in Microsoft Office and ERP systems (SAP, Microsoft Navision or similar)

**What we offer:**

- Development opportunities within a global company
- Insight into various purchasing categories and strategic procurement
- A cooperative and supportive working environment
- Competitive remuneration and additional benefits (holiday and Christmas bonuses as well as profit sharing)
- Company pension scheme with employer contribution

**Location:** Brüggen

**Working hours:** Full-time (38 hours/week)

**Contract type:** Permanent

**Department:** Purchasing

**Start date:** As soon as possible

**Interested? – Here's what to do next:**

Then we look forward to receiving your **complete application**, stating your **earliest possible start date** and your **salary expectations**.

Apply now – and shape the future with us!
