

YOUNG TALENT HUB

YOUR GATEWAY TO HANDS-ON PROFESSIONAL EXPERIENCE AT DUISBURG BUSINESS & INNOVATION

**Are you a master's student looking to gain real-world experience and
take an active role in meaningful projects?**

THEN JOIN OUR YOUNG TALENT HUB !

WHO WE ARE:

Duisburg Business & Innovation GmbH is the economic development agency of the City of Duisburg. We work on innovative projects, support companies, and help shape Duisburg's future as a dynamic business location.

WHAT YOU CAN EXPECT:

- Active involvement in real projects from day one
- Insights into economic development, innovation and sustainability, internationalization, networking, and events
- Opportunities to take responsibility and contribute your own ideas
- Room to help shape projects and processes
- Collaboration in an open, interdisciplinary team

OUR GOAL.

Our goal is to support your transition from university into professional life and to create meaningful career prospects together with you.

YOUR BENEFITS.

- One year of valuable hands-on experience
- Support for international students, including German language courses
- The opportunity to build a strong professional network
- Support with your thesis, provided the topic is a good fit

WHO WE ARE LOOKING FOR.

- Master's students, ideally with a business-related background or a connection to our areas of work
- Motivated and committed individuals
- International students are expressly welcome

DETAILS.

- Start: From 1 October 2026, or earlier depending on availability
