# Find a course in moodle. Online link on LSF.

You'll find **online** the **link to your course room** on the learning platform moodle. It's in the entry of your course on the LSF online portal:

The screenshot shows a Moodle course page. At the top, there is a header bar with the text "Business Skills B2 - Einzelansicht". Below this, there is a section titled "Inhalt" (Content). Under "Inhalt", there are two tabs: "Kommentar" (Comments) and "Obligatorische eLearning-Komponente" (Mandatory eLearning Component). The "Obligatorische eLearning-Komponente" tab is currently selected.

Hier gelangen Sie zu Ihrem moodle-Kursraum:
